DIVINES ABYSSES

L'été 2023 est une collection coup de cœur, connectée à l'océan et ses profondeurs étourdissantes.

Une ellipse estivale sublimée par la couleur et des volumes audacieux, éclectiques, électriques et vibrants.

La femme Simone Pérèle soutient le regard.

Sûre d'elle, elle avance portée par sa personnalité singulière, son allure et sa modernité.

Elle ne met pas de côté sa sensibilité et son élégance qui sont au service de sa féminité.

Séduisante ; sirène moderne ; elle attire et attise les contraires, les fait jouer, danser et s'entremêler pour écrire son histoire.

Elle s'enrichit du passé mais le futur aux promesses magiques la transcende !

Un brin 80's, la collection été 2023 fait référence à une féminité affirmée comme celle des images de Guy Bourdin, Hans Fuerer ou Halston.

Un joli voyage, lumineux, irisé et paisible.

Le colorama est flamboyant, gorgé de teintes estivales avec des jaunes ensoleillés et des orangés dominants.

Les roses se font pop et acidulés.

Les verts aquatiques rencontrent un camaïeu de bleus aux teintes abyssales jusqu'au noir ; séduisant et couture.

Les imprimés et les motifs des broderies et dentelles évoquent une flore magique et minérale dans une esthétique abstraite.

Les matières et les détails des lignes sont travaillés avec raffinement comme une caresse sur la peau.

La collection Simone sourit et joue tous les moods : quotidien sexy, rétro casual, ou in&out couture... Oui, la femme Simone assume et ose !

Cette saison, on veut de la couleur, de la légèreté et de la sexiness tout en subtilité !

DIVINE ABYSS

Love at first sight for the new summer 2023 collection, reminiscent of the ocean with its dizzying depths.

A summer ellipse enhanced by colour and daring, eclectic, electric, vibrant shapes.

The Simone Pérèle woman looks you straight in the eye.

She is self-assured and spurred on by her original personality, allure and modernity.

But she does not neglect her sensitive side and elegance that underline her femininity.

Seductive; a modern mermaid; she attracts and arouses opposites, encouraging them to play, dance and mingle so that she can write her own story.

She draws energy from the past but is transcended by the future with its magical promises!

The summer 2023 collection is reminiscent of the 80s and expresses undeniable femininity as in the images of Guy Bourdin, Hans Fuerer and Halston.

It takes us on a lovely bright, iridescent, peaceful journey.

The palette is flamboyant and filled with summer colours dominated by sunny yellows and oranges.

The pinks are playful and zingy.

Aquatic greens sit alongside different shades of blue and deep tones right down to black; seductive couture.

The embroidered and lace prints and motifs represent magical, mineral flora in abstract designs.

The materials and design details are prepared with utmost care like a gentle caress.

The Simone collection is playful and prone to different moods: everyday sexy, casual retro, in&out couture... the Simone woman is confident and daring!

This season is all about colour, lightness and subtle sexiness!
